RDK Engineers Completes Over 500 Projects for USPS

ANDOVER, MA (AUGUST 12, 2010) – **RDK Engineers is proud to have a long-standing relationship with the United States Postal Service (USPS).** For the past 25 years, RDK has completed over 500 mechanical, electrical, plumbing, and fire protection modernization and upgrade projects for the USPS. RDK includes energy saving features whenever applicable, with our latest design work either meeting or exceeding the USPS' standards for energy saving systems. An upcoming USPS project for 2010 includes a renovation of the Portland Main Post Office Maine District & Carriers. RDK will upgrade the building's HVAC system, with work expected to be completed in summer of 2011.

About RDK Engineers:

RDK Engineers has specialized in providing high-quality HVAC, Electrical, Plumbing, Tel Data, and Fire Protection services for over 100 years. Today, RDK has a staff of 188 multi-disciplined engineers and administrative professionals located in Andover, Amherst, and Boston, MA, as well as Durham and Charlotte, NC. RDK delivers total building solutions to leading businesses and institutions nationwide.
